

The 21st Annual American River Confluence Festival!

PARC is seeking donations and sponsorships for this wonderful annual community event. All proceeds support PARC's efforts to protect and restore the American River and its canyons. Donations are tax-deductible and will be listed on the Confluence Festival program. We are looking for a variety of items; nature art, outdoor sporting goods, gift certificates to restaurants and services. Please support PARC during one of its most important community outreach and education activities.

To donate or for more information, please contact Jane Hamilton at 530-885-7839 or janiehamilton@mindsync.com. Deadline for all donations is June 8.
