

American River Clean-up

Saturday, April 20, 2024

At old Auburn-Foresthill curved bridge, 3 miles below Auburn near Hwy. 49 American River crossing. Parking is free for cleanup volunteers.

Auburn On-Demand Confluence Shuttle from Auburn is available for transportation to the Cleanup! For drop-off or pick-up reservation call 530-906-3171.

Receive your free map of the American River Confluence Parkway, (first 25 volunteers), trash collection bags, water, snacks. Wear sturdy shoes and bring gloves.

8:00 am Registration and Safety Talk

8:30 am Canyon Keeper's classic Historic Bridges & Natural History hike

focuses on the varied bridge crossing history of the North Fork and canyon wild flower identification. The short hike goes to Clark's Hole, 2 miles RT. The long hike goes to Clementine Falls 4 miles RT.

9:30 am Ongoing American River Ecology enrichment activities:

- Trash Contest
- Scat & Skulls
- Know Your Watershed
- Juan Peña Watercolor Demonstration
- Hawver Cave Pleistocene Fossil Display
- Leave No Trace Outdoor Ethics

11:00 am PARC's High School Scholarship Readings & Awards

Contest winners will read their essays & receive their awards.

Noon Trash Contest Awards

Awards to be presented at the registration area.

Special thanks to our clean-up and event partners:
